Watch all the videos and make notes (I want to see your notes, maintain 1 separate book)

These videos will cover all your basics.

Videos are not of long length.

Take Time from 29th oct to 31st oct to learn these fundamentals.

DEADLINE: 31st October

Meeting will be conducted on monday night (timings will be informed) where you have to explain me what you have learnt .

Remember to search from other resources also but nail it down.
